Membership/Membership Renewal Form (FORM A)

The Home Education Network - HEN - was launched at a National Conference in July 1999. We are a *national organisation* which provides **support** and **information** to families living in Ireland who are providing education for their children at home, in accordance with their constitutional rights). HEN also **lobbies** our public representatives to ensure that home education remains a right for everyone.

We publish a vibrant and stimulating quarterly **newsletter**. We invite you to **contribute** articles: letters, accounts of everyday life home educating, resources or ideas that have helped you help your children learn, book reviews, CD reviews, etc. We especially welcome **children's** accounts of being home educated, what they like learning, their jokes, riddles, drawings, poems, stories and letters.

HEN is an all-embracing organisation, welcoming all home educating families regardless of race, religion etc.

Anyone wishing to be involved in any way in running the organisation is welcome to contact the National Coordinating Body. We're a volunteer organisation and depend on members help for our continuing to function, so any ideas, suggestions and offers of help are valuable and much appreciated.

Membership runs from June 1st to May 31st each year. **Members joining mid-year will receive all back issues of the newsletters for the year of their membership.**
